

THE MOBILE APPLICATION PRIVACY POLICY

The Bank is committed to protect the privacy of the personal information of its customers, including information that is collected due to the customer's use of the Bank mobile App hosted on Google Play Store or App Store (iOS).

The Bank does not collect any personal information from the customer while the customer visits / uses / surfs the Bank App and the customer can visit / use / surf the Bank App without providing any personal information.

The customer agrees that the Bank may use Customer Information for the purpose of statistical analysis and for creation of data ("Statistical Information"), which does not contain individual Customer Information. In addition to the information that the Bank elicits from the customer, the customer is free to volunteer any other information that the customer feels that the Bank needs to know, but the security and confidentiality as per this Policy is guaranteed only to the information that the Bank directly asks from the customer.

This Policy holds true for a non-customer who has provided information to the Bank, by any means, with the intentions of establishing a relationship, of whatsoever nature, with the Bank. By divulging any information to us the customer agrees to the terms and conditions of this Policy.

This Policy holds true for a non-customer who has provided information to the Bank, by any means, with the intentions of establishing a relationship, of whatsoever nature, with the Bank. By divulging any information to us the customer agrees to the terms and conditions of this Policy.

Use of Customer Information / Statistical Information:-

The Bank may use the Customer Information for, among other things, customer verification, provision of products and services, for personalization of products or services, marketing or promotion of the Bank financial services or related products or that of the Bank's associates and affiliates; for creation of Statistical Information, statistical analysis or credit scoring, enforcement of the customer's obligations, any other purpose that will help us in providing the customer with optimal and high quality services.

Disclosure:-**Security :-**

The Bank has taken reasonable measures to protect security and confidentiality of the Customer Information and its transmission through the World Wide Web/Mobile App. The customers are required to follow the Terms and Conditions while using this App including the instructions stated therein in respect of security and confidentiality of the customer's Log-in and Password.

All information the customer provides to the Bank is stored on Banks secure servers. Any payment transactions will be similarly secure. Although Bank will do its best to protect the customer's Information, the Bank cannot guarantee the security of the customer's Information transmitted to its Site; any transmission is at the customer's own risk. Once the Bank have received the customer's Information, it will use strict procedures and security features to try to prevent unauthorized access.

The information provided by the customer is stored on Banks secure servers. Any payment transactions will be similarly secure. Where Bank have given the customer (or where the customer have chosen) a user name, pass code and memorable word which enables the customer to access certain parts of Bank Site, the customer are responsible for keeping this user name, pass code and memorable word confidential. the customer must not to share these with any one.

Changes To Banks Privacy Policy
